110' Illusions Super Yacht

CANCUN's BIGGEST YACHT: The Italian built 110' Illusions Super Yacht was fully refitted in 2015. Six cabins allow for up to 12 on overnight stays. All cabins contain deluxe oversized staterooms with ensuite bathrooms, entertainment centers and satellite television.

THE SALON: Illusions features an oversized salon with a well-equipped entertainment center containing a 55" Samsung television screen, PlayStation, DVD and Bluetooth accessibility. A comfortable and rather extensive seating area can be found throughout the salon and in the outside areas as well. Three dining locations can be found throughout this gorgeous vessel with one of the three which accommodates up to 10 situated in the air-conditioned salon.

UPPER DECK: On The flybridge of this Italian made beauty is massive with different areas for lounging, dining, sunbathing and relaxing. One of the two Jacuzzi's on this luxury super yacht are located on the flybridge. Completing the picture of al fresco relaxation is a large gas barbecue grill, wet bar and a 32 inch waterproof television, screen pops up from the bar.

MAIN DECK: The aft deck can be accessed via the swim platform or, the main entry and or salon. This area offers a large bench settee across the rear with a circular dining table and seating for 8. The extended boat deck provides overhead cover and lighting with ample area for water toys and swimming fun. Port and starboard teak laid side decks lead to the foredeck which features canvas sun cushions surrounding the vessels second Jacuzzi/Sunning area.

WATER TOYS: This vessel is guaranteed to make all of your water toy wishes come true. With so many water toys included, we had to add a private and mobile dock just to accommodate. In addition, you will find a floating island, 2 Jetskis, 2 Seabobs, a massive slide, snorkeling gear, fishing gear and a dinghy.

DINING: A variety of menu options are available including regular, vegetarian, pescatarian and vegan options. All meals and appetizers are prepared from the vessels in house chef and chef assistants. Meals and appetizers are included with each day charter and extended stay charters as well.

STAFF: Our seasoned team is anxious to serve and provide an experience like no other. The captain has 20 plus years of experience in sailing the Caribbean waters, the first mate with 10 plus years in assisting with all logistical activities. A certified chef with decades of experience in culinary delights. The Mixologist is guaranteed to amaze with tropical beverages like no other. Also on the team, food assistants, beverage servers, first mate assistant and Engineer.

ITINERARIES: A wide variety of itineraries are offered and can be customized based on your time on the water. If choosing a multi-day charter, the itinerary is completely customized with the safety and client interest at the forefront of each great adventure.
